Welcome to the 1st XI

The 1st XI is an exclusive network of 11 High-net worth individuals and industry leaders from each State of the Federation, convened under the auspices of the Youth in Parliament Forum (YIPF).

This circle represents the most prestigious convergence of wealth, political leadership, and innovation in Africa.

Members of the 1st XI are handpicked not only for their financial success but also for their influence, social impact, and capacity to shape Africa's future and the world at large.

The 1st XI Vision

The 1st XI exists to shape Africa's future by bringing influence and leadership to one table. It is a platform where the nation's most respected voices align around ideas, strategy, and commitment to progress.

Our vision is simple: to create a coalition of high net-worth leaders who support participation in governance, strengthen economic growth, and build connections that extend beyond borders.

Through its initiatives, the 1st XI serves as a bridge linking business powerhouses with policymakers, uniting state leaders with national vision, and connecting Africa with the global stage.

“ A coalition of leaders, shaping Africa’s future through influence, unity, and purpose.

Our Pillars

Leadership Engagement

Exclusive forums where private sector leaders and policymakers meet for direct dialogue.

Citizen's Empowerment

Support for the Youth in Parliament Forum's mission to expand participation in governance.

Economic Influence

A nationwide coalition of HNIs driving investments and shaping industries that power Nigeria's growth.

Global Partnerships

Building bridges between Nigerian leadership and international stakeholders for stronger cooperation.

Our Core Activities

The 1st XI Interactive Dinner

The Interactive Dinner is the flagship gathering of the 1st XI. In every state and the FCT, 11 respected leaders are invited to a private evening with national policymakers. It is an intimate space for dialogue, influence, and alliance-building where conversations at the table help shape the direction of the nation.

Policy and Nation Building

The 1st XI convenes leaders to influence the policies that define Africa's future. Through strategic dialogue and collaboration, members contribute directly to nation-building and the strengthening of democratic institutions.

Investment Summits

Investment Summits connect high net-worth leaders with sectors that drive economic growth. These gatherings align capital with national priorities, creating ventures that leave lasting impact on industries and communities.

Mentorship and Partnerships for Government Programmes

The 1st XI serves as a bridge between experience and aspiration. Through mentorship and partnerships, members support government programmes while guiding the next generation of leaders into positions of influence.

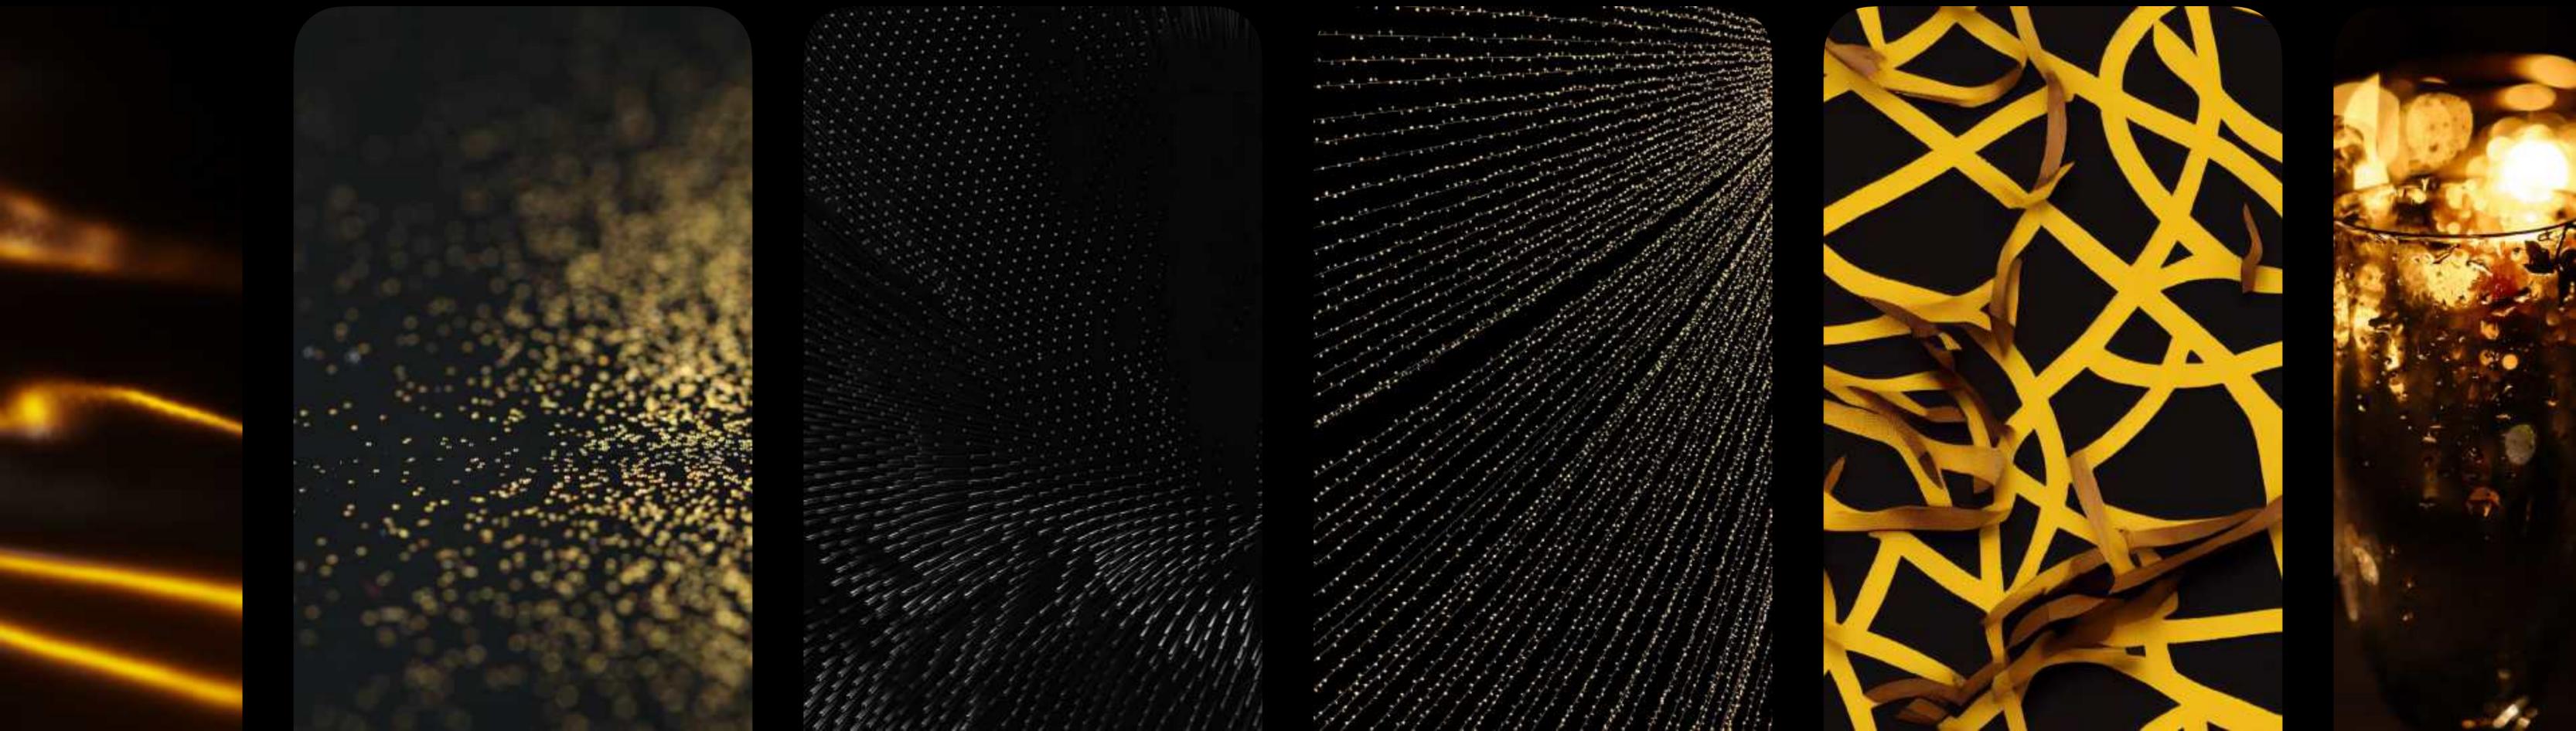

Closed-doors Dialogues

In discreet settings, the 1st XI hosts conversations where sensitive issues can be addressed with candour. These closed-door dialogues create trust, shape consensus, and move critical decisions forward.

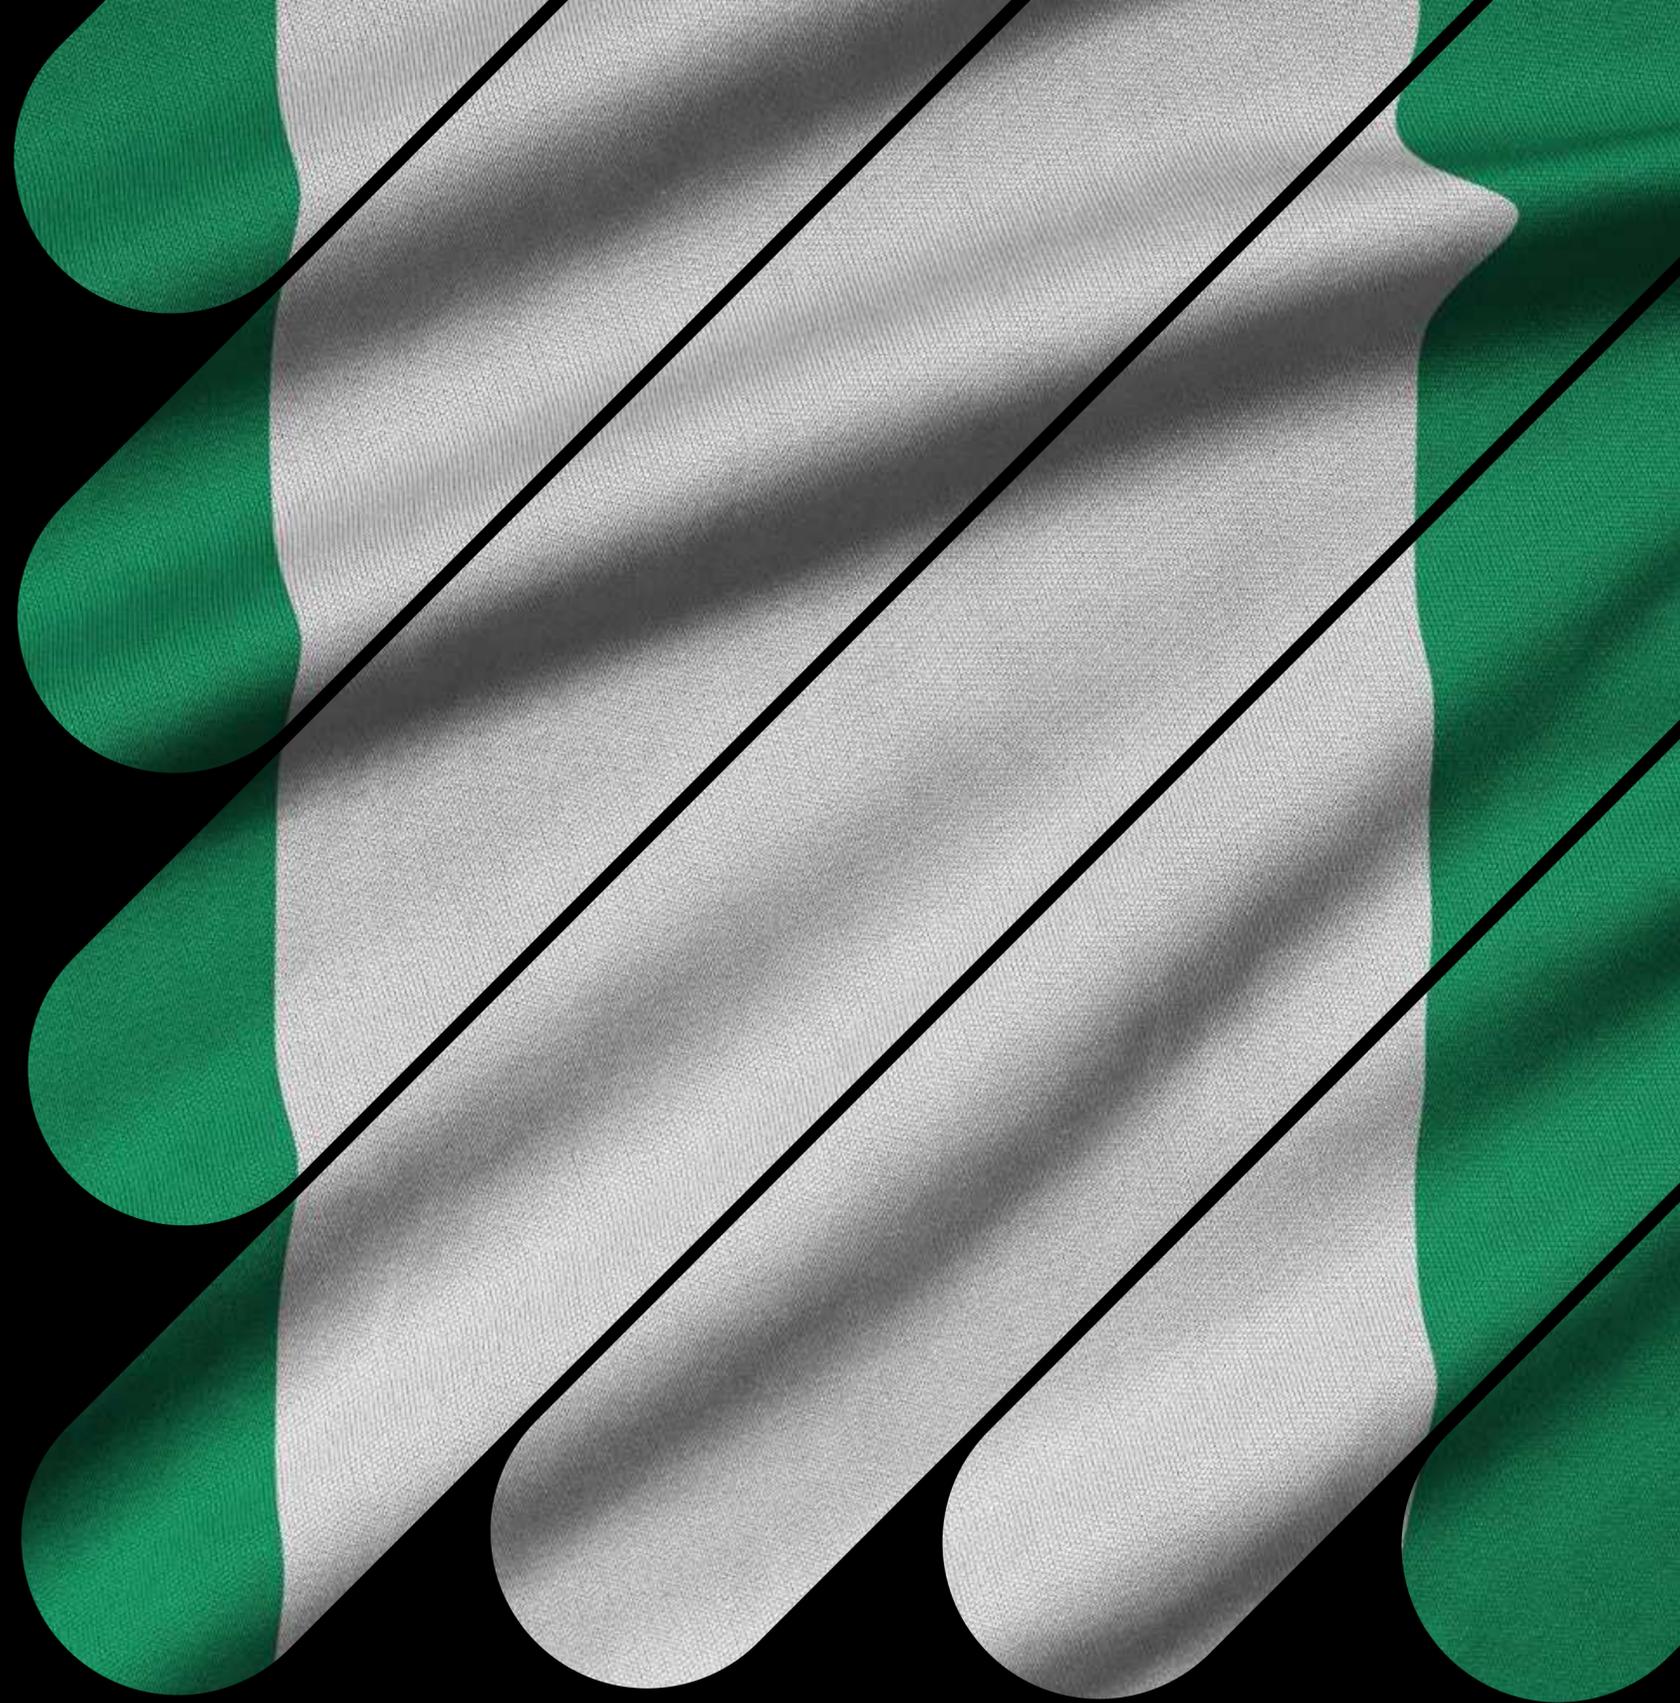

Why the 1st XI Matters

- Limits participation to **11 leaders per state and the FCT**, preserving exclusivity.
- Builds a **network of 407 individuals nationwide**.
- Each member reflects **personal achievement** and represents key industries and communities.
- Connects leaders from **technology, real estate, finance, agriculture, mining, energy, manufacturing, and entertainment**.
- Aligns private sector influence with **national leadership** in a unique way.
- Shapes conversations that directly impact **policy, investment, and Africa's direction**.

407 leaders.
One coalition.
A continent's
future at stake.

The → Experience

Every 1st XI gathering is designed with intention. From the gold-embossed invitations to the private member-only event settings, the details reflect exclusivity and belonging.

Members receive more than access — they share a space where influence is personal, and leadership is within reach. Custom journals, lapel pins, and limited-edition keepsakes serve as lasting symbols of membership in the circle.

The experience is understated, refined, and memorable — a reminder that being part of the 1st XI is both a privilege and a responsibility.
